Accounting Certificate

The Certificate in Accounting is offered to undergraduate students and students with a prior bachelor’s degree. For undergraduates, this program will provide accounting skills and knowledge to enhance professional and career opportunities in the accounting profession. When combined with a non-accounting degree, the certificate satisfies the Kentucky requirement for the CPA exam of 150 credit hours and a concentration in accounting.

At least 15 of the 30 hours in the major requirements must be earned at EKU, students pursuing the Certificate in Accounting must earn a “C” or better in all courses comprising the certificate, and completion of the following courses:
